BED-BAR – HEADBOARD ATTACHMENT

The BED-BAR must be securely attached to your headboard or the [support rail](#) accessory (purchased separately).

1. Determine if your bed has a round post or square head post or flat headboard.
2. For square headboard post or any flat edged headboards secure the BED-BAR to the post or headboard using the small half round clamp and wood screw as shown in Detail 1.
3. For round posts secure the BED-BAR using the clamp shown in Detail 2.
